Lent 2015

Dear Friend of our Lady,

Enclosed is a booklet you may have seen before, but perhaps with a slightly different title. It was first printed in 1982 under the original title, *Our Lady's Urgent Appeal in the 1980's*.

As time passed and Our Lady of Fatima's requests were not heeded by Catholic laity nor by the Pope and bishops, the booklet was renamed, *Our Lady's Urgent Appeal in the 1990's*.

Moving into the new century, the booklet was renamed *Our Lady's Urgent Appeal*. Like the booklet we sent our volunteers two months ago, *Jesus Tells 'Us Make It Known*, this booklet became part of our messenger booklet set – part of the series of five booklets giving an overview of the Fatima Message.

We have in the past, and continue to do so, included this booklet in our volunteer kits for new and prospective volunteers. It has been reprinted many times since the original printing in 1982.

You will see an Imprimatur on the inside front cover page. Except for changing the title, modifying the picture on the cover slightly, and adding the 21st Century in areas where the 20th Century is mentioned, the information remains the same.

One slight adjustment made a number of years ago was in the population figures on page 31, listing countries enslaved by Communism and the population of each country. Those figures were adjusted and appropriate at the time of the reprint.

Should the booklet be updated again, the information on page 31 would be adjusted by removing the list of 27 countries enslaved by Communism, and replacing them with the statement that the whole world is now enslaved by Communism.

This is exactly what Sister Lucy, the last of the three seers of the Fatima Apparitions, said would happen in her 1946

interview with Professor William Thomas Walsh.

The information in this booklet is more significant today than it was when first published in 1982. This will be obvious when you read Part II of the booklet beginning on page 4 which reports on the moral decline in the world, the usurpation of God's rights by the secular government, the attack on human life, etc.

Communist oppression is a punishment for ignoring Our Lady's Fatima Message which includes not doing what She asked at Fatima of each of us. One of the things She said we must do is "stop offending God." She said we must amend our lives - to stop leading sinful lives and lead true Catholic lives.

On occasion, I have heard some of our volunteers and other supporters strongly object to the statement that the United States and Canada are Communist countries. Some of them do not see the Communist control. Perhaps they don't understand what that means.

But as you will read in the following prayer, one 15-year-old understands clearly that we are experiencing the effects of living under a Communist oppressive government. He or she submitted in class in a public school in Minnesota, the following (sent to me recently in an email):

New School Prayer:

Now I sit me down in school
Where praying is against the rule
For this great nation under God
Finds mention of Him very odd.
If scripture now the class recites,
It violates the Bill of Rights.
And anytime my head I bow
Becomes a Federal matter now.
Our hair can be purple, orange or green,
That's no offense; it's a freedom scene.
The law is specific, the law is precise.
Prayers spoken aloud are a serious vice.
For praying in a public hall
Might offend someone with no faith at all.
In silence alone we must meditate,
God's name is prohibited by the State.
We're allowed to cuss and dress like freaks,
And pierce our noses, tongues and cheeks...
They've outlawed guns, but FIRST the Bible.
To quote the Good Book makes me liable.
We can elect a pregnant Senior Queen,
And the 'unwed daddy,' our Senior King.
It's 'inappropriate' to teach right from wrong,

We're taught that such 'judgments' do not belong.
We can get our condoms and birth controls,
Study witchcraft, vampires and totem poles...
But the Ten Commandments are not allowed,
No word of God must reach this crowd.
It's scary here I must confess,
When chaos reigns the school's a mess.
So, Lord, this silent plea I make:
Should I be shot; My soul please take!
Amen

In part III of the enclosed booklet, beginning on page 12, is a reminder that the Fatima Message was not just a warning, but also a message of hope. Included is the obvious, that Heaven is more powerful than anything man can imagine and examples of miracle stories from our Catholic history are given on page 14.

Part IV, beginning on page 18, talks about what each of us can do to stop the moral decline, to stop the Communist enslavement, and to gain the graces necessary for the Pope and bishops to do the Consecration of Russia.

Expressed very nicely as what we can do, really it should state, what we must do. Heaven expects us to do our part if for no other reason, because we are among the small percentage of Catholics who - by the grace of God - know about the Fatima apparitions, believe in them, and understand their significance for what is happening in the Church and the world.

Part V, beginning on page 21, has instruction on how to pray the Rosary, gives the mysteries of the Rosary, and how to pray the 54-Day Rosary Novena.

The Fatima Crusader, Issue 111

By now I hope you have seen the latest issue of *The Fatima Crusader*, Issue 111, Winter 2015. This issue could be considered a companion piece to the booklet, *Our Lady's Urgent Appeal*, despite the gap of 33 years between publication dates.

If you haven't had a chance to read it, please try and do so as soon as possible. The first article, *Risk of Nuclear War Rising Daily!*, by James Hanisch, discusses a recent article printed in a British leftist publication, reporting the obvious on the world situation.

This issue also includes a summary of James Hanisch's recently published book, *Only she Can Help Us! World Forces are Driving the World Toward War*, beginning on page 12. If you

haven't seen this book, this article may encourage you to get a copy.

Another article by James Hanisch beginning on page 36, *Will Catholics Wake Up In Time?*, discusses two false notions that the whole Third Secret was released in the year 2000, and that the Consecration of Russia was done in 1984, and how long will it take, or how much evidence do Catholics need, before they realize they have been misled.

Beginning on page 60 is a transcript of a speech given by Dr. Bruce Walters at the 2013 Niagara Falls conference Fatima: The Path to Peace. The title is *Russian Sunrise: Prelude to Promised World Peace*.

This talk was based on the book written by Dr. Walters, *Russian Sunrise*, first introduced by The Fatima Center in 2011. This novel includes accurate and factual details about the Message of Fatima.

In the book, the author proposes a possible scenario for what might finally lead the Pope to call for and to do the Consecration of Russia with all the Catholic bishops of the world according to the requests of Heaven.

The book also presents the responsibility Russia will have in setting up a truly Catholic country once the Consecration is done. *Russian Sunrise* is a terrific book. If you haven't read it, make sure you read Dr. Walters' talk summarizing the book in this issue of *The Fatima Crusader*.

If you haven't received a copy of Issue 111 of *The Fatima Crusader*, or to receive more copies, call us at 1-800-845-3047.

In the Sacred and Immaculate Hearts,

Joanna Swords

P.S. If you don't have a copy of the book *Russian Sunrise*, I can offer you a copy of the saddle-stitched version, divided into two books, part I and II for a cost of \$4 a set (a savings of \$1 a set) and a copy of the perfect bound edition for \$7 (a savings of \$3 per book).

To order copies of either of these, return the enclosed reply form or call us at 1-800-845-3047.
