"Let us realize that the Message of Fatima takes a priority in the Church as a prophetic Message. It is a public, prophetic message ... It is not simply a private revelation. And this prophetic message is one of those messages which, as Saint Thomas tells us, is a message given to our time for this generation. ... The Church needs this prophetic message because we are told there is no other way out of the crisis we find ourselves in. I don't only mean here in India, I mean worldwide. ... **It is evident today that the people of God, the Catholic Church around the world, is surrounded and we have nowhere to go. And our enemies are ready to kill us.**" Father Nicholas Gruner, January 30, 2008, *Only Way to World Peace Conference*, Chennai, India.

November 21, 2015  
Presentation of  
the Blessed Virgin Mary

Dear Friend of Our Lady,

The above quote by Father Gruner can be found on pages 48 and 49 of the enclosed Spring 2008 Issue of *The Fatima Crusader* (issue number 88). Attacks against Christians and threats being publicly made by Islam to the United States and other parts of the world, is one reason I have enclosed this issue.

As noted in the past, when viewed years after initial publication, older issues of *The Fatima Crusader* generally have an even greater significance regarding current world events as they pertain to the Fatima Message, than when first printed.

The increasing number and strength of the attacks against Christians in the past few years in different parts of the world by Muslims, and the recent attack in Paris, should come as no surprise to those who are familiar with the Message of Fatima.

God will not be mocked. Both the public threats from Islam and the attacks by these enemies of Christ increased AFTER Pope Francis did something that objectively-speaking is a grievous sin in Catholic teaching. Something that led Catholics and others in the world to legitimately ask the question: is the Pope Catholic?

That action was hosting an inter-religious prayer session **for world peace** with Muslims and others of false creeds right on the grounds of the Vatican on June 8, 2014.

Having been given the only solution for world peace, the Pope's horrific non-Catholic action, so offensive to the Mother of God and therefore even more offensive to God Himself (one cannot offend God's Mother without grievously offending Almighty God), has definitely put us on the fast track for world-wide disaster and suffering.

Many world governments and their prostitutes, the government- controlled media, seem determined to help the Muslims execute their violent, anti-Christian agenda in any way they can.

Remember the trojan horse story? Do not be deceived by stories in the media of refugees needing to escape and seek asylum.

The media tends to show helpless women and children instead of the true picture. The greater majority of these Muslim "refugees" are strong, healthy, young men who are **not fleeing from** anything, but rather are **running to** take advantage of the borders now wide open for them to enter into Western countries by the tens of thousands.

But Muslims have been entering these countries at a slower rate for years. These earlier arrivals have been living in what are supposed to be Christian nations and posing as "peace loving" peoples, but in reality, many have just been waiting for the call from Islam, to attack.

Under the guise of recent events, border restrictions for these enemies of Christianity have been removed which has led to thousands of Muslims pouring in at the open invitation of government leaders.

Many of these same government leaders are silencing, or at the very least ignoring, the outcry of citizens against this abomination being committed. These governments are supposed to protect their citizens. Their failure to do so has made it evident that their open invitation to the enemies of Christ is part of the New World Order (NWO) agenda.

Since the NWO agenda is anti-Christ, what better way to execute its plans of reducing the world's population, especially targeting those professing belief in Christ, than to fuel the flames of a "religious war" by bringing in barbarians to do the

dirty work of the government, all the while pretending they didn't know this would happen?

And isn't it amazing that these governments spend millions of their citizens' tax dollars and subject their citizens to overzealous and intrusive scrutiny all under the guise of safety and security as part of the "war against terror", while at the same time opening the door and inviting terrorists in to wreak havoc?

Do not be deceived by the government and the news media into thinking that ISIS is a rare violent group in Islam. The religion of Islam was invented by a man of violence and grew by violence.

Mohammed was no prophet. He was a power-mongering person unable to get anyone to follow him in his new "religion" until he hired a couple of thugs and, under threat of death, forced people to follow him.

Governments of the United States, Canada and European countries are forcing this disaster upon us. The handwriting is on the wall.

And making nice-nice dialogue; hosting sinful, inter-religious prayer meetings; subjecting innocent, loyal citizens to intrusive searches; building up the military; dropping bombs - NONE OF THIS WILL STOP THE IMPENDING CARNAGE AND SUFFERING FROM HAPPENING!

THERE IS ONLY ONE SOLUTION, AND IT IS ONLY THE CATHOLIC CHURCH WHO HAS THAT SOLUTION. IT IS HEEDING THE REQUESTS OF OUR LADY OF FATIMA! And it isn't just the Pope and bishops, it is up to all Catholics to heed Her requests!

As always, I urge you to do your part in heeding Our Lady's requests and teaching others to do the same. Please check out the enclosed Issue 88 of *The Fatima Crusader*, especially Father Gruner's article beginning on page 8 (taken from his talk in India in 2008) and the article beginning on page 26 by Father Anthony Cyril, *The Whole World is on the Brink of Disaster*.

Another article to look at is from the opening talk of the 2008 *Only Way to World Peace* conference, beginning on page 5, which mentions the persecution of Christians in India at the time of the conference. These persecutions have continued up to the present time.

And if you have not adopted the practice of twice-daily

praying Three Hail Marys in honor of Our Lady's purity, I urge you to read the article beginning on page 18 by Brother Jean-Marie, *Salvation and the Three Hail Marys*.

### **Peace on Earth, Good Will to Men**

The Season of Advent is a week away. This time of year Catholics focus on the birth of our Redeemer. One thing that seems to escape many Catholics is that Advent is supposed to be lived in a fashion similar to Lent.

As we prepare for the Feast of the Nativity of Our Lord, we should be offering more sacrifices in preparation for this great feast. That is, we should be doing more prayers, doing more spiritual reading and meditation, and some temporal sacrifice(s).

Unfortunately, the month of December, which is when Advent is, has become a time of parties and feasting instead of the traditional fasting promoted in the Church as a help to work out our salvation, and as a gift to our Redeemer in appreciation of His condescension on our behalf.

Enclosed is the card, *Thoughts of Christmas Coming*, which you have likely seen before. It may help with meditation during this season and gives ideas of sacrifices one could make during Advent.

It is a reminder, amidst the chaos and insanity in the secular world, of the real reason God placed us here on earth and what Catholics of good heart should be doing during this time.

Since the official Christmas Season, on the Liturgical Calendar, begins December 24 and lasts through the Feast of the Purification of the Blessed Virgin Mary on February 2 - don't hesitate to give this card to others throughout the entire Christmas Season.

And just as the Vatican keeps the Nativity Scene up in Saint Peter's Square for the entire Christmas Season - and does not take it down until after February 2 - consider doing the same in your home.

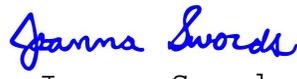

For more copies of the enclosed card, call us at 1-800-845-3047 or return the enclosed reply form.

One of the primary requests in the Message of Fatima is that we make reparation to Our Lady's Immaculate Heart for the five blasphemies committed against Her. One of the five blasphemies is denial of Her Immaculate Conception. The Feast of the Immaculate Conception is December 8.

We have available copies of the booklet, *Little Office of the Immaculate Conception* which can be said any time as a means of making reparation, but Advent and the Christmas Season is a very special time for this devotion. For copies of this booklet, call us at 1-800-845-3047 or return the enclosed reply form.

May you have a holy Advent, making great strides in working out your eternal salvation.

In the Sacred and Immaculate Hearts,

Joanna Swords

**P.S.** I heard about a traditional Catholic priest who recently advised his parishioners not to let the government, or anyone else talk them into giving a home, or taking into their home to stay, one of the Muslim so-called "refugees". I have since learned that many diocesan parishes are encouraging parishioners to allow these pagan "refugees" into their homes.

Certainly, we should pray for the "refugees" and especially for their conversion, as well as for the defeat of Islam. But it would be very imprudent - to say the least - to let an enemy of Christ into your home. An enemy of Our Lord Jesus Christ is also our enemy.

**P.P.S.** Shortly after finishing this letter to you, I learned of a blasphemous desecration of Consecrated Hosts in Pamplona, Spain. More than 200 Consecrated Hosts were used by an "artist" in an "art exhibit" apparently with the knowledge of city council members despite the fact that it violates Spanish law. My understanding is the Hosts have been removed from the exhibit, and a lawsuit has been initiated to close down the entire exhibit.

Please join The Fatima Center in making reparation for this desecration. Say extra prayers, especially the Rosary, and if possible, spend extra time visiting Our Lord in the Blessed Sacrament.
