"The goal [of Freemasonry] is no longer the destruction of the Church, but to make use of it by infiltrating it." (Words of a Freemason quoted in *Athanasius and the Church of Our Time* by Bishop Rudolph Graber)

December 2, 2017
First Saturday

Dear Friend of Our Lady,

In the early half of the 19th Century secret papers of the *Alta Vendita* - the highest lodge of an Italian secret society with ties to Freemasonry, called the *Carbonari* - were uncovered by Pope Gregory XVI.

Those papers were subsequently published at the request of Pope Gregory's successor - Pope Pius IX, who guaranteed the authenticity of these documents.

His successor, Pope Leo XIII, in the late 1800s was presented with a copy of a book that contained the full text of the documents written by the *Alta Vendita*.

The documents are called *The Permanent Instruction of the Alta Vendita*, which is the title of the enclosed book that we are pleased to be able to send to you.

This book contains excerpts from the secret documents of the *Alta Vendita* which outline the plot of these enemies of Christ to infiltrate and defeat the Catholic Church from within.

The plans were formulated once the enemies of the Church realized that they would never succeed in completely destroying the Church. Their alternative was to remove the influence of the

Church in society, while simultaneously using the Church to further its own demonic anti-Christ agenda.

Successive popes, beginning in the late 18th Century and through the reign of Pius XII (1939-1958), continually warned the Catholic faithful about the evils of freemasonry.

The enclosed book by John Vennari was first published in 1999, during the pontificate of John Paul II. It was evident then, that the freemasons had succeeded in their plans to infiltrate the Church with a pope leading the Church on the plotted path of "renewal" - or in the case of John Paul II, "a new springtime". That is, a pope whose pontificate was allowing the promotion of liberal Catholic ideas.

Although in comparison to the current Pope (Francis), John Paul II seems tame. Nonetheless, a lot of the groundwork for what is happening today was laid and accomplished during John Paul II's pontificate and the two pontificates preceding his - Paul VI with his introduction of the Novus Ordo Missae and John XXIII with the Second Vatican Council, which opened the door for these enemies.

John Vennari agreed to allow Our Lady's apostolate to publish this book and send it out to our supporters. Upon reading it, it becomes obvious why the popes have warned repeatedly for centuries about the evils of Freemasonry.

This book makes it evident that the plans of these evil men have been realized and helps explain what is happening in the Church today, and why we have a pope in Rome speaking everything that is New World Order and not much - if anything at all - that is Catholic.

Our Lady of Fatima and the Plot of the Freemasons

But, of course, the freemasons would not have succeeded as far as they have if the Message of Fatima had not been ignored by the Catholic laity and hierarchy.

Indeed had Our Lady's Message been heeded and the

Consecration of Russia now done, the words and deeds of the freemasons would be a thing of the past. They would have been defeated without ever having achieved so much of their goal.

To stop their continuing advance under the banner of the New World Order we need the Consecration of Russia.

And as you know, in order for the Consecration to happen, Catholics need to do their part - that is, we need to do the five things Our Lady asked of us: amend our lives, wear the Brown Scapular, pray the Rosary every day, offer sacrifices for sinners and make reparation for sin (especially the 5 blasphemies committed against Her Immaculate Heart), particularly with the Five First Saturdays Communion of Reparation.

For more copies of the book, *The Permanent Instruction of the Alta Vendita*, return the enclosed reply form or call us at 1-800-845-3047.

Historic Moscow Conference

By the grace of God, through the intercession of Our Lady, and thanks to the prayers and sacrifices of our apostolate supporters - WE DID IT! - we made it to Russia for our first conference, held in Moscow on November 4 - 5, 2017! And what a moving experience it was.

We heard some hard truths first-hand from the two Russian speakers - Stanislav Protasenko and Elena Chudinova - and from another speaker who grew up under Communism in the Eastern bloc country of Czechoslovakia - now called the Czech Republic - Michal Semin.

One thing made clear is that all the talk here in North America about the fall of Communism is just that - talk.

You recall that the puppets of the enemies of Fatima, the World Apostolate of Fatima (formerly the Blue Army) and other so-called "Fatima" groups, use the argument of the "fall of Communism" to support spreading the false notion that the Consecration of Russia has already been done.

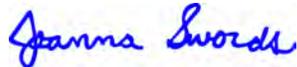

Father Gruner and Our Lady's apostolate has been saying for decades that not only is Communism not gone in Russia, but it has successfully spread around the world, as Our Lady of Fatima warned it would.

But since these puppet organizations for the enemies of Fatima - even within the Church - won't listen to the only organization in the world working full time to spread the full Fatima Message, maybe they will listen to those who actually live in Russia.

Most of the conference talks are now available on our website. The next issue of *The Fatima Crusader*, Issue 120, will focus on the Moscow conference. Be sure to watch the mail for your copy, which should arrive shortly after Christmas.

May you and your family have a holy and penitential Advent, and a blessed and joyous Christmas.

In the Sacred and Immaculate Hearts,
