Yes, many, many thanks to YOU — YOUR Sacrifices, YOUR prayers, YOUR generous alms.

YOU Helped Make our 2009 Accomplishments Happen

I asked my staff for a report of all our accomplishments in 2009 and I am amazed at how much we accomplished in the face of great adversity. Before me are several pages of projects we have brought to fruition and so I have only chosen a few of the highlights to give you an idea of how YOU Helped Make a Difference!

Our Lady came to Fatima with an urgent Message for mankind which God endorsed with the Miracle of the Sun — yet too many **do not** understand or even know about Her Saving Message. Thus, our first priority:

MAKING THE FATIMA MESSAGE KNOWN AND UNDERSTOOD

The True Story of Fatima: It was written over 60 years ago by Father John de Marchi and we updated it in 2009 and added 2 new appendices. The book originally had an imprimatur and after updating it, we obtained a new imprimatur for our new edition of this book. We distributed over 300,000 copies of this full length book to bishops, priests, and lay people worldwide in 2009 alone. *The True Story of Fatima* tells, in easy to understand language, the FULL Message of Fatima, and we plan to distribute, with your help, over 1 MILLION copies in the not so distant future.

The Fatima Crusader: We have sent more than 1 MILLION 100 THOUSAND copies of our last four issues to readers around the world. Many other issues were sent as well in 2009.

Only Way to World Peace: We sent out 298,000* copies of this 64-page booklet which explains in detail the need for the Consecration of Russia. (*This includes some from 2008.) We are ready to reprint it and send out another 200,000 in 2010.)

The Devotion of The Seven Sorrows of the Blessed Virgin Mary: This 32-page full color booklet with a Bishop's Imprimatur helps the faithful to meditate on the sorrows and sufferings of Our Blessed Mother. In less than a year, we have distributed 224,400 copies.

Fatima Website: We continue to update and add to our Website www.fatima.org and its related websites which have registered more than **2 million viewers** in 2009 and more than **70 million hits**. These sites have become a means of educating people about Fatima and the Catholic Faith and will become a more vital instrument in the future.

Leaflets and Prayer Cards: 1,255,315 have been distributed worldwide. One example is the powerful prayer to [St. Michael the Archangel](#) to help us through these trying times. (One is enclosed with this report.)

There are many other projects we have accomplished to make Our Lady's Message known, but space does not permit to list them all here.

BREAKING THROUGH THE WALL OF SILENCE:

I am also including the highlights of the part you played in answering the opposition to Fatima, inspired by **diabolical and Masonic** influences working both inside and outside of Rome.

The Fourth Secret of Fatima: In 2009, we became the largest distributor in the world of the English translation of Italian journalist Antonio Socci's bombshell book, *The Fourth Secret of Fatima*. In less than 6 months, we distributed over 140,000 copies of this book that blew apart the wall of silence surrounding the full Third Secret, only part of which has been revealed. Socci's book is of incalculable importance and we have spared no effort or expense to make the public aware of the vital information it contains. Among other things, Socci, for the first time, revealed in his book the testimony of Archbishop Capovilla that there are two texts of the Third Secret — not just the one and only one that Cardinal Bertone showed us on June 26, 2000.

Socci is a mainstream media figure who heads the Italian national school of broadcast journalism in Perugia and is a well-known and highly respected personality in the newspaper and television world in Italy. He set out to defend Cardinal Bertone's position on the Third Secret but his intellectual honesty and the facts presented in [The Devil's Final Battle](#) convinced him that the "Fatimists" were and are absolutely correct: the

Vatican, despite its claims to the contrary, is still hiding the crucial text of the Third Secret.

The Secret Still Hidden: In 2009, we placed thousands of copies of the Italian translation of Christopher A. Ferrara's book [The Secret Still Hidden](#) in hundreds of kiosks in Rome and Naples, including kiosks on the doorstep of the Vatican.

Mr. Ferrara, the head of the American Catholic Lawyers' Association, uses his experience as an attorney to assemble and examine the evidence and proves the case that there remains an undisclosed part of the Third Secret. [As well, in 2008, over **TEN THOUSAND copies of this book**, in Italian, were mailed to bishops and priests in Rome and throughout Italy.] In late 2009, 5,000 Italian copies were destroyed in a fire in a secure storage facility in Rome — the devil obviously does not like it — arson is suspected.

The Secret Still Silenced DVD: In 2009, we produced a high-quality DVD, [The Secret Still Silenced](#). Several Catholic writers and researchers who have sifted all the facts known about the Third Secret of Fatima are interviewed and all reach the same conclusion as Antonio Socci: The full text of the Third Secret has yet to be revealed. In just 8 months, we distributed 64,662 copies of the DVD. This documentary has already been translated into Italian and is almost ready for broadcast across all of Italy.

Heaven's Key to Peace DVD: Our documentary on Fatima was dubbed professionally into Italian and was broadcast 20 times in 2009, reaching a potential audience of over 23 million viewers — 11 times on Satellite TV stations over all Europe; 3 times on prime time Italian television, and 6 times in Rome and Lazio Region, and 3 times in Naples and nearby, as part of our Target: Rome Campaign. Since our first airing of [Heaven's Key to Peace](#) in North America, we have distributed close to 65,000 DVD copies of it.

THE HOLY ROSARY — OUR WEAPONS, OUR CONSOLATION, OUR LADY'S PROMISE:

Our Lady at Fatima insisted that we pray the Rosary every day. She told us "Only Our Lady of the Rosary can help you." Sister Lucy told us that there is no problem in the world that cannot be solved by the power of the Rosary. We promote the Rosary in many ways. We'll tell you some of them here.

12 Million Rosary Campaign: Over 1,000,000 prayed Rosaries were reported direct to us and we are aware of 2 million more through other activities.

Pray the Rosary: To date, we have distributed close to HALF A MILLION copies of this full color picture booklet providing teaching meditations for praying the Rosary. In 2009 alone, we distributed 93,000 copies. Originally published in 2008, this 48-page booklet which includes full color traditional photographs of the 15 Mysteries of the Rosary has been one of our more popular booklets and a great teaching tool.

Sacramentals Distribution: We shipped our over 600 THOUSAND Sacramentals in 2009 which included over 145,000 Rosaries, over 275,000 Green Scapulars, over 145,000 Brown Scapulars and over 30,000 vials of miraculous Fatima water.

OUR OUTREACH TO CATHOLIC PRIESTS AND BISHOPS WORLDWIDE IN 2009:

- We mailed out 364,495 pieces of mail to priests worldwide in 2009.
- We mailed out 19,398 pieces of mail to the Catholic bishops worldwide.
- There are 995 priests and bishops who have joined [*The Fatima Movement of Priests*](#).
